

## Make Your Own Homework Sheet

Design your own Home Learning Sheet.

Use your imagination to think of some interesting activities. You could design a maths sheet, a spelling game, word search or crossword. You could create a word find about the Recycling.

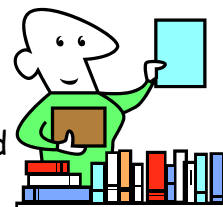

Look around the room for words to include in your word find.

Look on the Reduce, Recycle, Reuse poster for words.

Online activities: Mathletics, Study Ladder, Sumdog & Reading Eggs have all been set up to help you with your learning. Login and play!

Reading Log

Keep up your daily reading log - write down how many pages you read each evening.

Date	Title

### From the teacher:

- **Parent Interviews** – please return any green student/parent response forms as they will be used at the interview
- **Parent Interviews** will take place on Wednesday 5 April and Thursday 6 April. You will be able to book an interview slot at: [www.schoolinterviews.co.nz](http://www.schoolinterviews.co.nz). The event code is **rzf7n**. Please note children will go home at **3.00pm** on **Wednesday 5<sup>th</sup> April and Thursday 6<sup>th</sup> April**.
- **Home Learning** - This is the last week of Teacher set Home Learning for Term 1. Could all reading books please be returned by Friday.

**Thank you!**

**from Mr Darkens**

## Reduce, Recycle, Reuse

Create a Reduce, Recycle, Reuse poster for a friend to colour in. Draw interesting picture that show how to reduce, recycle and reuse.

See your teacher for paper if you need it.

Design a **CERTIFICATE** for a friend to colour and fill in.

## Art Activity

Draw a picture for a friend to colour in. You may like to draw a picture as a story starter for a friend.

## Maths Problems

Make a maths problem page, a maze or word problems.

Look back in your Home Learning for ideas that we have covered this term.

**Have Fun!**
